

# LARAGH ON HOGSBACK COTTAGES

*...WHERE NATURE IS TIMELESS AND INFINITE...*

Located high up in the stunning beautiful Amatola Mountains, the hamlet of Hogsback is reminiscent of a bygone era, where life is slow and tranquil and one can enjoy the beauty of nature at its best.

Feed your soul at Laragh-on-Hogsback where nature is timeless and infinite. Relax on your covered patio; listen to the sounds of the forest around you – birdsongs in the morning, the chirping of insects in the evening. Enjoy the stupendous full moon rising over the three Hogs or get-up early and watch the glorious sunrises. Gaze at Tor Doone in anticipation of your walks to the several waterfalls set amongst one of the few sub-tropical mountain forests left in South Africa.

Breathe in the crisp clear mountain air, revel in the winter cold and snow (weather permitting) and then curl up in front of a roaring fireplace, and enjoy the warmth and comfort of your cottage.
